Maybe even better than free.

The cost of that data transfer is covered by your internet service or the data plan on your phone. There are no restrictions on the number of times a file can be downloaded. Any file in any format can be uploaded and downloaded for free. No account or credit card is required to get started. You can give this download link to your friends by mail or instant messenger. Unfortunately, we can't make that part free. This is easy, fast and reliable filehosting! You don't need anykind of premium-accounts. Simply upload your file and share the link. You don't need any special software installed to be able to download your files. Ourservice is completely free for everyone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in datastorage fees.

You decide who you want to share your files with. If only we could, we surely would! On the other hand, using file can actually save you money. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can betransferred within their apps. Just upload the file you want to share with your friends and we send you a download link to your file. Files can be downloadedfrom any computer from our high speed servers. Keep your files private, or send your download links only to friends or family. Alternatively you can choose toshare your download links on blogs, forums and social networking sites. When you use file, you avoid storing the file you're sending in your cloud storage ormail server. filehosting provides an easy possibility for you to send large files to your friends. We have no file size limit. File is free to use with no gotchas andno hidden fees. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computeror phone and our servers, then from our servers to your friends device. So try our free and simple filehosting service now. Using file, you can circumvent thoselimits without paying to upgrade your team chat service. It is also allowed to link to the download page from websites and communities. You can upload anytype of file (movies, music, documents, images, zip files and more).
